

HOW TO BE A

CONSIDERATE CAMPER

Bag all your litter and #TakItHame

Reduce the use of single-use items whenever you can
Leave your campsite as if you were never there at all

Go to the loo 50m away from water or buildings

Take a trowel to dig a hole, or bag it and carry it out
Wash your hands or use sanitiser afterwards

Take some drinking water with you, just in case

Avoid water with algae, animals nearby, or still pools
Choose fast flowing water upstream from campsites

Fires be damaging to the environment

Use a camp stove for cooking, it's quick and easy
Never cut or damage trees to make a fire

ENJOY CAMPING AND LEAVE IT AS IF YOU WERE NEVER THERE
